TinkerBell

Flitterific Fairies

A *Moving Pictures* Book

Pixie Hollow is home to many fairies. Each one has a special talent. When Tinker Bell first arrived in Pixie Hollow, the magical Pixie Dust Well helped her discover her talent.

Tinker Bell also loves to fly. She swoops and soars through the sky with her friends Terence, Silvermist, Iridessa, Fawn, Rosetta, and Vidia.

The fairies of Pixie Hollow are in charge of bringing seasons to the mainland. They change winter to spring by helping the flowers bloom and teaching baby birds to fly.

Fairies of all talents work together. When Iridessa, a light fairy, teams up with water fairy Silvermist, they make beautiful rainbows.

Vidia is a fast-flying fairy. She creates whirlwinds and summer breezes. She and Tinker Bell became good friends after an adventure on the mainland.

Queen Clarion is the ruler of all the fairies. She is kind and understanding.

With faith, trust, and pixie dust, Tinker Bell and her fairy friends can do anything!
